271

FINANCIAL DEPARTMENT.

ANNUAL EXAMINATION OF REVENUE AND JUDICIAL DEPOSIT ACCOUNTS.

To—The Deputy Commissioners of Districts, Treasury Department, Circular No. 1493, *dated* 10*th February* 1881.

With reference to standing orders, the Comptroller has the honor to request that the Deputy Commissioners will be good enough to scrutinize the deposit accounts of the District Treasury and take *immediate measures* for transferring to credit of Government under "XXIII-Miscellaneous" in the Treasury accounts of March 1881 (1) all deposit items not exceeding one rupee unclaimed for 12 months; (2) balances not exceeding one rupee partly repaid during the year; (3) also deposits of whatever amount unclaimed for more than three complete account years ending 31st March 1881.

Items under deposits which properly belong to other heads of account should be carefully scrutinized and transferred to their proper heads.

The sale proceeds of stray cattle kept in deposit for three months, and unclaimed within that time, should be credited to the Municipal or the District Fund to which they may belong. Fines improperly credited to deposits should be transferred to credit of Government under "Law and Justice," and refunded hereafter if claimed on an order of a Court.

The District Treasury Officers will attach to their accounts for March a detailed statement of all the items transferred under these instructions.

ANNUAL EXAMINATION OF DETAILED STATEMENTS OF SUMS CREDITED UNDER ENTRIES NOS. 4 AND 10, LOCAL REMITTANCES.

To—The Deputy Commissioners of Districts, Treasury Department, Circular No. 1494, *dated* 10*th February* 1881.

The Comptroller has the honor to state that from the detailed statements of balances outstanding on 31st March 1880 and the credits from April to December last under entries Nos. 4 and 10 Local Remittances which have been furnished by District Treasury Officers, it is evident that those headings have been employed by the Amildars to show a variety of items which do not properly belong to them but to deposit and other heads.

It is therefore requested that the District Treasury Officers aided by their Head Accountants will *personally scrutinize the entries thoroughly* in view to the adjustment of the items under their proper heads. Instructions should also be given to the Amildars to rectify their accounts without further delay in order to show correct balances for the year ending 31st March 1881.

The District Treasury Officers are requested to report their proceedings pursuant to this letter on 15th March next.

H. HUDSON,
Comptroller.
